## The Inconvenient Child

**By Sharyn Killens & Lindsay Lewis**

This is the true story of an abandoned Australian child's struggle to survive childhood and find her African American father.

Sharyn Killens has spent time in foster care, an orphanage and in juvenile detention centres in Parramatta and Hay, as well as living in Kings Cross, before realising her dream of becoming a professional singer and trying to come to terms with her origins.

Sharyn Killens worked as a singer entertainer on stage and on cruise ships around the world. She has been a publicist, an entertainment booking agent and manager and has also served on the Australian Ladies Variety Association Committee.

Lindsay Lewis has worked in a major record company, advertising agencies, in publicity, as well as being a professional singer. She now runs an Internet marketing business.

The two authors have been friends for twenty years.
