CALLING ALL VOLUNTEERS TO WATERMARKS

In September, artists living in Pittwater's water-access only communities are offering members of the public a unique walk-about tour of their studios and homes on Scotland Island and Lovett Bay .

The inaugural event entitled "Watermarks" will take place on Saturday 19 and Sunday 20 September 2009 from 10am - 4pm and will feature 40 diverse artists in 16 idyllic locations.

Go to our brand-new website www.watermarks.net.au to find out all about it.

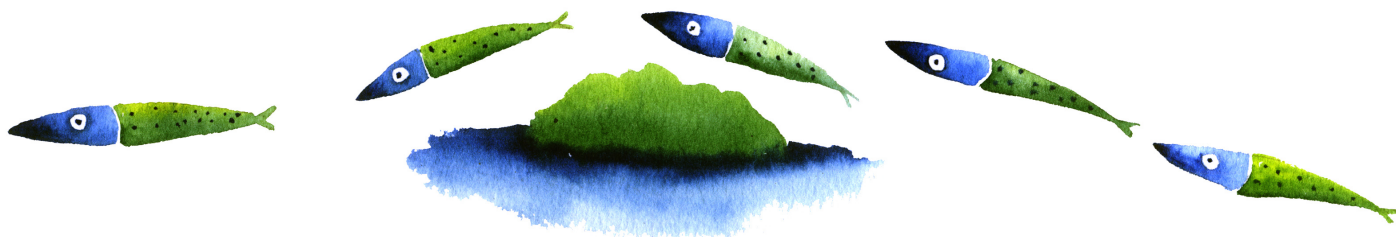

If you're intrigued and want to help out at this event, we'll need many hands on deck in the lead up as well as during the two days of the event; at the artist studios and at various points on the island and mainland.

You could bake a cake to sell at the Kindy, help with security at artists' homes, help lifting, moving or setting up for the event and many, many more jobs. Tell us your talents and we'll use you the best we can.

If you want to help,
