

NSW RURAL FIRE SERVICE

TO THE OWNER / OCCUPIER

The Northern Beaches Bush Fire Management Committee advises that approved a **Hazard Reduction** burn is proposed at the following location

Elizabeth Park
Scotland Island (see attached map)

The Hazard Reduction burn is to be carried out by the NSW Rural Fire Service and is scheduled for

Sun 25th August 2019
COMMENCING AT APPROXIMATELY 10.00 am

You are requested to remove the **possibility of smoke entering your home** by closing your windows and doors before the hazard reduction commences. Also **remove** (take inside) any washing from the clothes line, cover trampolines, pools or any outdoor furniture or material that could be effected by embers landing on them and burning. If you cannot cover or remove items that may be damaged by embers you are requested to hose them down whilst smoke and embers are impacting your property.

In the event that unsuitable weather conditions should exist on the date scheduled for the Hazard Reduction to occur, an alternate day will be chosen, when suitable weather conditions exist.

This notice shall be deemed to be applicable for a period of **14 days** from date of issue.

If you would like any further information regarding Hazard Reduction works or how you and your family can prepare for bushfire; please do not hesitate to contact the Northern Beaches District Office of the NSW Rural Fire Service during business hours on 02 9450 3000

To report a fire without fire fighters in attendance, call Triple Zero immediately.

WARNING INFORMATION

1. This map has been prepared by a NSW Government Agency ("the Agency") using data supplied to it by other agencies and entities.
2. The Agency has not verified or checked the data used to prepare this map. The map may contain errors and omissions. The Agency has not made any attempt to ground truth the map.
3. There will be a margin of error in relation to the location of features recorded on the map. The Agency is unable to specify the extent or magnitude of that margin of error.
4. Significant changes may have occurred:
 i. in the time between which the data was originally collected and the map produced; and
 ii. since the map was produced.
5. Users must, wherever possible, ground truth the map before relying on it or the accuracy of the map or the information recorded on the map for any purpose.
6. The Agency accepts no responsibility for any injury, loss or damage arising from the use of this map or any errors or omissions in the information recorded on the map.
