

RECYCLING MESSAGE

Recycling will take place as normal Christmas Eve and New Year's Eve.

Attention is drawn to the usual Christmas packaging in large boxes. **THESE MUST BE BROKEN UP AND PLACED IN YOUR RECYCLING BINS OR THEY WILL NOT BE COLLECTED.**

If your material has been left behind, this is the reason, so please be considerate and take it back onto your property to wait for the next collection rather than leave it in an unsightly mess on the roadside during the holiday season.

See guidelines below which are on your 2013 Waste Calendar. If anyone needs a calendar, please email cassgye@spin.net.au

If you have a missing or damaged recycling crate please call Pittwater Council on 9970 1111 for delivery of a free replacement.

HAPPY RECYCLING AND MERRY CHRISTMAS EVERYONE!!
