

# Hobie 16 For Sale

2007-built Hobie 16 ready to sail, kept at Palm Beach Sailing Club or Warriewood. I am the third owner and have sailed it for a season and a half, in local and state competitions. Always well-looked after and rinsed with fresh water after each sail and stored under covers. As well as the obvious it comes with;

- Season old sails White 112194
- New black trampoline and laces (spare old one if you want)
- Street credit (small chip on starboard bow from aggressive starting tactics)
- Big yellow beach wheels
- Registered trailer with sail box, recently changed tyres and a spare
- New rigging including stays, trap wires, main sheet, jib sheet, outhaul and downhaul
- Ropes' bag with spare sheets and pins as well as repair tapes
