

## **IMPORTANT UPDATE TO RESIDENTS**

### **7 February 2014**

**NEW WORKS ARE SCHEDULED TO RECOMMENCE ON THE WEEK COMMENCING 24 FEBRUARY THROUGH TO 3 MARCH**

**No further Ausgrid works will take place on Scotland Island until this time.**

**New power outage notifications will be distributed when exact dates and times are finalised for the week commencing 24 February.**

**Since the last notification it has been decided that the barge currently located at Bells Wharf is to remain until works cease.**

**Richard Rd will again be blocked at the top of the Vivian St stairs during this time however the remainder of Richard Rd loop will be open.**

**For further information you can contact us on the numbers below during office hours.**

**Further updates will follow.**
