

CONGRATULATIONS

Congratulations to Ben Simmonds, who has become our latest Ferry Master after passing his Coxswains Certificate on the 25th of January.

Ben has been working with the Ferry Service since January 2014, and we are very pleased and proud of his achievement. Ben is a long-time resident of Scotland Island, and son of Dave and Jacquie Simmonds, who have a long history on the island. Please join us and welcome him as a Ferry Master – first official shift Friday February the 17th.

He becomes the fourth Ferry Master to start as a deckhand and gain their qualifications, following our beloved Carrie Towers, Kieren Springthorpe and Ian Laughton-Smith.
