

# Great News!

## E86 back to normal!

Transport for NSW have returned the time of the E86 bus to 6.43 am. This means that our customers catching the 6.40am from Bells will make it in time as per normal.

We will run an extra service (again cunningly disguised as a water taxi) tomorrow the 14<sup>th</sup> of February for all those lovers and early birds, and anyone that may not have seen the news.
