

FARE SCHEDULE 2012

The Ministry of Transport, in line with the recommendation from IPART (Independent Pricing and Regulatory Tribunal), has increased fares by 4% that is 15¢ for children and concessions and by 30¢ for adults.

As a result our new fare schedule, from 1st January 2011, is as follows:

Adult	Single \$7.20	Return \$13.50	13 Pass \$59.00 (\$4.54 per trip)
Concession/Child	Single \$3.60	Return \$6.90	13 Pass \$42.00 (\$3.08 per trip)
Child under 5	Free	Green 13 Pass \$60.00 Offset your carbon footprint	
PET	\$2.50		

The good news! We're are keeping the heavily discounted 13 trip (Frequent Floating) Yellow and Green passes at the same rate as we have since 2008 (when we bought the ferry service), so that we can try to keep prices as low as possible for our regular users.

If you would like to support the ferry service and keep fares low, please encourage your friends and neighbours to try the step on, step off, convenience of the ferry.

If you are eligible for a pensioner or senior citizens concession card then you are also eligible for an all day trip ticket of only \$2.50. See your driver for details.
