CHURCH POINT NSW 2105

Dear Mr Gye

Re: Report to Council Monday 19 July. Restricted hours for consumption of alcohol, Alcohol Prohibited Areas. Thomas Stephens Reserve, Church Point.

Following a public exhibition and subsequent stakeholder meeting in relation to the above subject a report will be presented to Council outlining restrictions to the consumption of alcohol at Thomas Stephens Reserve, Church Point.

The recommendation of the report will be to restrict consumption of alcohol at the reserve to 3pm – 9pm Friday, Saturday and Public Holidays.

The proposal in Councils opinion respects the long term tradition of the reserve being a social hub but also allows consumption of alcohol to be responsibly managed.

Should you wish to discuss the issue prior to the Council meeting please contact me at your convenience. Should you wish to address Council on the issue you will need to register prior to the meeting.

Yours faithfully

Mark Eriksson
LANDSCAPE ARCHITECT PRINCIPAL OFFICER
