# PRIVATE BOAT LESSONS

## Need Help with Navigation? Don't understand all the rules? Want more experience handling a boat?

*Heading out on the water with family & friends is one of the greatest leisure activities anyone can undertake. Doing it with confidence and knowledge makes the whole experience more fun, enjoyable and safer.*
*We offer theory and practical lessons to help make you a better and safer recreational skipper, be it 4 metre runabout, a 20 metre motor cruiser or anything in between.*

Lessons include:

- Coastal Navigation and Passage Planning
- Basic Weather
- Rules & Regulations
- Boat Handling
- Knots and Splicing
- Maintenance & Basic Engineering
- Safety Equipment for a safe passage
- And more .....

We can customise recreational boat lessons to suit your boat and your needs.
