

Waste & Recycling Calendar 1 Jan - 30 Jun 2019

Scotland Island: Collection Days are Monday & Friday (including public holidays)

New Waste Service starts in July!

On 1 July 2019, our new waste processing and collection contracts will begin.

A waste calendar will be delivered to residents for the second half of 2019. Visit northernbeaches.nsw.gov.au for more information and FAQs.

● Garbage (Weekly)	● Extra garbage service
● Garden organics	● Bulky goods clean up (week commencing)

Bulky Goods Clean Up

visit northernbeaches.nsw.gov.au
for your collection details

- ✓ Frames with glass removed
(break glass down, wrap in newspaper and put in garbage bin)
- ✓ Paint tins and fuel containers are accepted with the lid off and no liquid
- ✓ Manageable quantities of non branded delivery pallets,
- ✓ Hot water systems (empty)
- ✗ TVs & computers
- ✗ Building / renovation material
- ✗ Car parts, tyres & batteries
- ✗ Gas bottles & extinguishers
- ✗ Vegetation
- ✗ Cardboard & paper
- ✗ Windows / glass / mirrors

Please note:

- Make sure nails are not protruding from items
- Remove doors from fridges and furniture for safety reasons
- Place metals and whitegoods in a separate pile

Collection from roadside only

Maximum amount is 3 cubic metres. Do not place materials at public wharves or private wharves and jetties. Fines apply for illegal dumping.

Unacceptable items will not be collected

Where can I take items not collected in the bulky goods clean up?

Items	Kimbriki *	Belrose *	Chemical Clean Out	Charges

Garden Organics

Roadside Collection

- ✔ Maximum amount is 2 cubic metres, similar to a small box trailer
- ✔ Place garden organics in a hard sided container.
- ✔ Branches to be max 1.2m long and 75mm thick tied with twine.
- ✘ Plastic bags
- ✘ General waste
- ✘ Food scraps / kitchen waste*
- ✘ Painted & treated timber
- ✘ Soil
- ✘ Large tree stumps and roots

grass cuttings

large branches no wider than 75mm

cut-up palm fronds

tubers without soil

twigs

leaf litter

* Council encourages home composting and worm farming.
Food scraps and kitchen waste are 100% recyclable if treated properly.

100% of the garden organics collected will be recycled at Kimbriki Resource Recovery Centre.

Material presented in plastic, nylon or hessian bags, cardboard or foam boxes or untied bundles will not be collected.
Fines apply for illegal dumping.

Illegal Dumping

No vegetation or prohibited materials to be placed at public or private wharves. Fines for illegal dumping will apply. Dumped material pollutes the environment and can harm wildlife and native flora. If you see someone dumping material in our reserves, wharves or bushland areas, please take note of any registration details, description of the vehicle/vessel, person, date and time, then report it to Council.

Any dumped material should be reported (whether the person responsible is known or not) so that Council can take action and investigate the matter. Did you know that you can be fined or prosecuted for transporting waste to a place that cannot legally accept it?

Legal waste facilities are Kimbriki Resource Recovery Centre at Terrey Hills, kimbriki.com.au and SUEZ at Belrose, suez.com.au

Public Wharf Bins

Public wharf garbage bins are provided for the disposal of domestic garbage waste only.

Please do not dispose of construction waste, chemical waste or garden organic waste in the garbage bins provided on the public wharves.

Building materials, gas bottles, car / boat parts, motor oil, paint, computer and batteries

can be taken to either Kimbriki or Belrose Resource Recovery Centres. See page 2 of this waste calendar to learn where to dispose of these products. Onsite household composting is recommended for garden organics. Chemical waste can be disposed of in the Household Chemical Cleanouts.

Report Illegal Dumping - on the spot fines up to \$4,000

If you see someone dumping material please take note of the registration, description of vehicle and person, date and time and report to Council. Call **1300 434 434** or email council@northernbeaches.nsw.gov.au

Where to take computers, computer peripherals and TVs for free recycling

Kimbriki Resource Recovery Centre, Belrose Resource Recovery Centre and Harvey Norman warehouse at Balgowlah.

Officeworks accept computer equipment only. Call or check their website for criteria and opening hours.

What to do with food waste

For tips on how to avoid food waste, reduce greenhouse gas and save money, visit lovefoodhatewaste.nsw.gov.au.

To learn how to recycle food waste, come along to a composting and worm farming workshop at Kimbriki and receive a voucher towards a compost bin or worm farm. Visit ecohouseandgarden.com.au to book.

What to do with household chemicals

For drop off locations and Chemical Clean Out events, visit cleanout.com.au or call the NSW EPA's environment line on 131 555.

What to do with soft plastics

Did you know you can recycle your bread bags, plastic bags, frozen food and veggie bags, old 'green' bags, cereal box liners and other soft plastics at your local Coles or Woolworths supermarket? To find your nearest drop off location and for a list of accepted items, visit redcycle.net.au.

Need a new or replacement recycling crate?

Please call Northern Beaches Council on 1300 434 434 or email council@northernbeaches.nsw.gov.au to order a new or replacement recycling crate. This is a free service.

Clean Up Australia Day Sunday 3 March 2019

Save the date so you can do your bit for the environment by cleaning up your local area with your friends and family on Clean Up Australia Day.

For further information or to register a clean up site please visit the Clean Up Australia Day website cleanup.org.au

Waste enquiries, damaged or missing bins or recycling crates
For waste enquiries or to order a new or replacement recycling crate
call **1300 434 434** or visit **northernbeaches.nsw.gov.au**
