Air Disaster Canberra. The plane crash that destroyed a government

By Andrew Tink

1940 Wartime Australia. Key members of Menzies' government die in a fiery plane crash. What went wrong and what happened next?

Controversially, this book also tells the story of whether the Air Minister rather than the RAAF pilot had been at the controls.

Sydney born Andrew Tink was the former shadow Attorney-General of NSW and former shadow Leader of the House in the New South Wales Parliament.

Andrew's other two publications include acclaimed biographies, *William Charles Wentworth* and *Lord Sydney*.
