

# Scotland Island Rural Fire Brigade

## Community Briefings

Scotland Island is a high-risk bushfire area so it's important to be prepared – particularly during the bushfire season.

Scotland Island Rural Fire Brigade is inviting all residents to a series of briefings over the coming weeks.

Each briefing will start at 8.30am and be finished by 9.30am at the latest so you can get on with the rest of your day.

Come and join us for a BBQ breakfast, coffee and a briefing on your local Community Fire Unit Box and the equipment it contains.

If you can't make the briefing at your local CFU box you are more than welcome to attend one of the others – it's important that you attend one!
