

# SIRA Committee Engagement Process

## ENGAGING WITH THE SIRA COMMITTEE

We welcome engagement with our community. SIRA Committee members want to actively engage with residents to understand their issues and concerns and be available to answer questions.

We are currently seeking an independent consultant to review how we engage with the community and advise on ways this could be improved

Following the format of the Q & A Session held at the last SIRAC meeting, the Committee reviewed the process and has decided to introduce **Open Discussion Sessions** as a way of regular positive engagement with the community.

Here are ways in which you can communicate with the SIRA Committee:

- By attending the **Open Discussion Session** held between 12pm and 12.30pm at the conclusion of the scheduled SIRA Committee meeting where residents are welcome to ask questions, make comments, recommendations or give presentations.

The Committee meeting will be for **Committee members only** to allow for effective discussion in a timely manner. The minutes of each SIRAC Meeting will be posted on the SIRA website after ratification by the Committee.

- By email to the SIRA President ([president@sira.org.au](mailto:president@sira.org.au)) or a member of the Committee ([sirac@sira.org.au](mailto:sirac@sira.org.au)) or by mail to P O Box 70 Church Point
- Through informal contact with SIRA Committee members. The full committee is listed on the SIRA website ([www.scotlandisland.org.au/sira](http://www.scotlandisland.org.au/sira)). We are all Island residents.
- By contacting the Team Leader of one of the SIRAC Working Groups ([http://www.scotlandisland.org.au/downloads/SIRA\\_Project\\_Teams\\_2013.pdf](http://www.scotlandisland.org.au/downloads/SIRA_Project_Teams_2013.pdf))
- By attending Community Forums held from time to time on specific issues.
  - A Community Forum will be held during October to provide the community with detailed information on the options for expanded parking and improved road works at Church Point. (The date for this will be finalized in conjunction with Pittwater Council.)
- By attending the Annual General Meeting
