

Festival of Making

Changes to schedule

The Recreation Club has been successful in obtaining a grant of \$3,000 from Northern Beaches Council towards the planned Festival of Making. However, we have decided to postpone the actual exhibition of what people have made and the workshops until March-April 2021, due to COVID-19. I am sure that you will all understand.

In the meantime, we would like to enable a few people to sell items that they have already made at the **2 Catherine Cafes**. Sellers will set up and manage their own stall and pay a flat fee of \$20. The dates are:

Sunday 25 October — one stall available;
Sunday 8 November — one stall available;
Sunday 22 November — two stalls available;
Sunday 13 December — two stalls available.

If you are interested in having a stall please contact Robyn Iredale, rriredale@gmail.com
