

19 April 2022

Our Ref: 2022/239801

Dear Occupier,

Tree maintenance notification

Council would like to notify you that it has become necessary to undertake maintenance on the trees within the Church Point pay as you go car park.

Active Tree Service, Council's approved contractor will undertake the work on Wednesday 27th April and Wednesday 4th May 2022 between 7:00 am and 3:30 pm, although due to the nature of the work it may take longer.

The work will be completed over two days to ensure half of the car park is still available for use. The area marked in red will be completed on the 27th April and the section marked in yellow will be completed on the 4th May as marked on the map overleaf. Signage will be installed throughout the car park notifying of the upcoming work. All vehicles should be removed from the parking bays by 6:30 pm.

There will be no pedestrian access to the area, please note this will only be whilst the work is taking place. Pedestrian access will be assisted by the traffic control staff when safe to do so.

We apologise in advance for any inconvenience this may cause, and we thank you for your patience.

If you have any questions, please call my office on 0466 442 481 or via email TreeServices@northernbeaches.nsw.gov.au.

Yours faithfully,

Kristy Thornton
Tree Service Officer
