

SIRA COMMITTEE NOMINATIONS RECEIVED 7 DAYS PRIOR TO AGM

<p>Shona Forsyth</p>	<p>Nominating for: Committee Member</p>
	<p>The Island has been my home for 15 years. As a working mother who lives on top of the Island with two small children (and one big one), I am familiar with the challenges and rewards of raising a family here. It is important that families with small children are represented on our resident's committee.</p>
<p>Bill Gye</p>	<p>Nominating for: President, Committee Member</p>
	<p>If re-elected my goals for this year would be: 1: To ensure we really see the long planned for changes at Church Point and that the Offshore communities get the best deal possible in any negotiations on fees and access; 2: To progress issues such as Wastewater and Roads & Drainage, while enhancing community collegiality, safety and our environment, and 3: To provide continuity and hopefully steady leadership to the Committee given the departure this year of many existing Committee members</p>
<p>Cass Gye</p>	<p>Nominating for: Treasurer, Committee Member</p>
	<p>As a resident since 1977 I have a wealth of knowledge on Island matters. As Treasurer I have kept accurate and fully audited accounts since 2009. I have maintained a comprehensive database for direct communication on important matters and services. The Island needs improved infrastructure for health and safety and community consultation is essential for any significant decisions. I want to work with a positive team to advocate for the community, provide important services and get things done!</p>
<p>Colin Haskell</p>	<p>Nominating for: Committee Member</p>
	<p>I have lived on the island for the past 13 years and have been active in local affairs being a committee member in 2013-14 and I am currently coordinator of Tennis Community Pontoon.</p>

ADDITIONAL NOMINATIONS FOR ONE VICE PRESIDENT POSITION AND FIVE COMMITTEE MEMBERS CAN BE ACCEPTED AT THE AGM ON 8 FEBRUARY 2015

SIRA COMMITTEE NOMINATIONS RECEIVED 7 DAYS PRIOR TO AGM

<p>David Hegarty</p>	<p>Nominating for: Committee Member</p>
	<p>During my 26 years on the Island (less a couple in the Bays) I've been involved in issues that impact our special home. Services that the mainland can take for granted have had to be fought for & of course, negative changes resisted. SIRA represents the intersection between our home, our community and everything that affects us here. I feel my background in environment, business and education combined with my SI experience will allow me to serve the community well through SIRAC.</p>
<p>Sharon Kinnison</p>	<p>Nominating for: Committee Member</p>
	<p>My family has lived on the island over 25 years. I love being active on the water and in the natural environment. I am passionate about my community and serving in SIRA and Community First Responders. I believe we have an opportunity to make SI a model sustainable community. In moving forward I support consultative, open and transparent governance. I believe outcomes must reflect our Island vision and identified long term social, environmental and economic needs.</p>
<p>Hubert van Mierlo</p>	<p>Nominating for: Vice President, Secretary, Committee Member</p>
	<p>As a resident since 2004, I have followed with interest discussions on the important issues for our diverse community. As a committee member in 2014, I have worked tirelessly on increased transparency and improved community engagement and communications. I am very keen to continue to ensure that SIRA represents the interest of everyone. If re-elected, I will use my skills to further develop tools to administer the association, communicate with members and maximise our volunteer effort</p>
<p>Marie Minslow</p>	<p>Nominating for: Committee Member</p>
	<p>I live on Scotland Island with my husband, children & grandchild. We have been here for 22 years living at the top of the island and on the water. I understand the issues facing most residents on the island because I have experienced them – water, septic systems, roads, waste collection, threat of fire, parking, access via public & private wharves, childcare, protecting our flora and fauna and maintaining our unique and wonderful community and way of life. I look forward to serving the community.</p>

ADDITIONAL NOMINATIONS FOR ONE VICE PRESIDENT POSITION AND FIVE COMMITTEE MEMBERS CAN BE ACCEPTED AT THE AGM ON 8 FEBRUARY 2015
