Dear Subrata

The Scotland Island Residents Association (SIRA) recently made a \$2000 donation to the NSW Rural Fire Service & Brigades Donations Fund. This donation was intended for the Scotland Island Rural Fire Brigade (SIRFB) to help fund the provision of additional Community Fire Unit (CFU) cabinets on Scotland Island.

SIRA was advised to make the donation to the Scotland Rural Fire Brigade sub-account with the NSW Rural Fire Service & Brigades Donations Fund. However, the SIRFB inadvertently provided the account details for the main host account (032001 171051) instead of their sub-account (032001 173647).

Could you please arrange to transfer our \$2000 donation to the Scotland Island Rural Fire Brigade account with the NSW Rural Fire Service & Brigades Donations Fund.

Yours sincerely

Boyd Attewell
