## Pittwater MP

25 January 2019

Mr Colin Haskell  
President  
Scotland Island Residents' Association  
PO Box 70  
CHURCH POINT NSW 2105

Dear Mr Haskell, *Colin,*

Thank you for providing an update regarding the proposed Scotland Island Traffic Management Plan currently being prepared by Northern Beaches Council.

I appreciate your kind words and I thank you for your ongoing service and contribution to the Scotland Island community.

As you are aware, last year I met with representatives of the Scotland Island Residents' Association, Roads and Maritime Services, Northern Beaches Council and NSW Police to discuss the present situation regarding vehicles and roads on Scotland Island. I understand the ongoing concerns amongst community members in relation to unregistered vehicles and I appreciate that additional road improvements remain a priority.

I look forward to learning the details of Northern Beaches Council's Management Plan and I will be pleased to support any funding submissions it presents to the NSW Government.

I am also pleased that Scotland Island's wastewater feasibility study is underway and I look forward to the outcomes.

Thank you again for your service to our community.

Yours sincerely,

A handwritten signature in blue ink that reads 'Rob Stokes'.
