Notes

1. Management - We spoke about how we will manage the recreation club and that we need people to look after the activities e.g. Table tennis
2. Need for steering committee - We agreed we need a steering committee to manage the recreation club activities and that this should not fall upon one person.
3. Purpose - We agreed the purpose of the recreation club is to grow and create new activities for the community.
4. Operation - We discussed running the various elements of activities..
 - a. Advertising – Sue and Jane to own
 - b. Facility preparation
 - c. Activity planning
5. Targeting - We discussed who we are targeting the activities to – that it is for everyone. We agreed table tennis should be 5pm to 6:30pm as it will be mostly children who take this up.
6. Calendar and comms - We agreed we would update the calendar with what is going on
7. Table tennis – agreed Tuesdays 5pm – 6:30pm. Robyn, Sandy and Alison Lloyd to organise
8. Question – do we need a working with children certificate? ACTION REQUIRED TO VALIDATE
9. Funding – we discussed SIRA giving us a start up loan whilst we apply for a govt grant
10. Table tennis start up pre-requisites – we need 3 tables, 12 bats, bucket of balls, whiteboard for scoring and hall hire at \$15 per week for 6 months. This should form the loan we apply for from SIRA and also part of the grant funding.
