

Church Point Notes

1. Church Point Working Group met with the proposers of the alternative plan on May 10th
2. A communique (approved by the SIRA Committee) was sent to the proposers on May 19th and requested a response by June 5th
3. WPCA decided not to participate in this consideration of alternatives at this stage
4. Met with the Mayor and General Manager at Church Point (the “Amalgamation Breakfast”). They indicated support for some degree of exclusivity of parking for those with CP Parking Permits as part of demand management. The topic of the new alternative plan was brought up by them and they expressed some concerns.
5. Fees document not yet distributed.
