

## Communications report SIRAC meeting Aug 2021

### Idea for Arts section of the website:

A suggestion was made in FB that we have an arts page on the website where we feature local artists. We agreed that would be a good idea, but rather than text and photos about each artist, which would need to be updated regularly, we decided artists would be encouraged to create a directory entry with links to their website.

These would be featured on a page called Island Artists and Makers: a Directory with some feature pics at the top and directory listings below. Lisa Ratciff is writing a piece for all channels – PON, FB, SIRA News – to encourage artists to submit their details.

At the same time she will encourage all tradies and service providers to check their directory entries on the website to add or correct existing entries.

### Website review

Lots as been done. At our last meeting we assigned team members to review some remaining sections:

- Parking on the Island <https://www.scotlandisland.org.au/about-theisland/parking-at-church-point/> •
- Newcomers info <https://www.scotlandisland.org.au/newcomers/> •
- Vehicles on the Island? <https://www.scotlandisland.org.au/island-life/vehicles-on-the-island/>
- Bush Regeneration Groups <https://www.scotlandisland.org.au/community/groups/bush-regeneration-groups>
- Pages assigned to Sue Armstrong – reallocated
- Wharves

### Posting Minutes of SIRAC meetings on SIRA News

Cass Gye suggested this. Agreed and will do this as soon as they are on website. (Better to link than reproduce in full.)

### WPCA/SIRA Communications channels

Juliet Wills and CB had coffee with Mel Broughton, Secretary WPCA on 27 July. Mel told us about the operations of WPCA and we agreed we needed to communicate more regularly. WPCA keep up with Church Point issues quite thoroughly and Mel is now communicating with Juliet and I on a regular basis, sending us outcomes of their meetings. I've forwarded them on to Colin in terms of Church Point issues, and have issued some of the information on SIRA News – e.g. the Pasadena Liquor Licence Change of Use approval.

Attending each other committee meetings: this would be a good way to keep in touch. At their next meeting they will have communication with SIRA as a first agenda item. Can a few of us go? WPCA meetings are

- Sunday 11 Sep, 10 am at Pru Colville's house in Elvina Bay (1st house closest to Elvina South Wharf).
- Sunday 23 Oct
- Sunday 27 Nov.
