

Minutes Meeting 10
10 February 22, 6pm, Recreation Centre

Present: MH, CB, RI, RH, SK,
Apologies: SO, NP,

1. Information and discussion

- Cafés – 13/2 and 27/2. Report from outcome of meeting with others interested in the café on 8/2? (CB and MH)

Suggestions were presented and most time was taken up with discussion of proposal to replace one café per month with coffee and a BBQ – run by different teams of people.

I think there is some consensus that cafés, as they currently run, should be reduced to once a month (4th Sunday?). We all understand that the current situation, and the way it is organised, places too much onus on a few people. Some have suggested that by breaking up the tasks it could be more feasible to continue as is.

Nevertheless, at this stage, the Rec Club will offer coffee and BBQ - run by different combinations of people on the 2nd Sunday (starting in March).

We are now waiting for Mike's page to be developed so that we can move forward in planning the restructuring of tasks.

- SIRA photos and documents (Roy)
- Megaphone to be purchased by SIRA
- Two Catherines play. Treatment almost completed.
- Xmas carols '21 were very successful and could be repeated – though with a lower cost to the Rec Club
- \$90 to 'Much Ado About Nothing' for boat drivers
- Coffee machine donated by Luigi has arrived. CH to write letter of thanks and free coffee
- CBP grant – awnings installed, no further work to be done till NBC allocates funds for renovations (July 2022)
