4.2 Priority Sewerage Program

- 4.2.1 Sydney Water must report on its progress regarding the implementation of the Priority Sewerage Program in the following areas in accordance with the Reporting Manual:
- a) Austral;
 - b) Menangle;
 - c) Menangle Park;
 - d) Nattai;
 - e) Scotland Island; and
 - f) Yanderra.
- 4.2.2 If either Sydney Water or a licensee under the *Water Industry Competition Act 2006* provides wastewater services to a significant development (as determined by the Minister) that adjoins one of the following areas in the Priority Sewerage Program:
- a) Austral; or
 - b) Menangle and Menangle Park
- then Sydney Water must deliver the Priority Sewerage Program in that area such that wastewater services are made available to customers of that area within 24 months of wastewater services being made available to service the significant development that adjoins that area.
- 4.2.3 Clause 4.4.2 does not apply where a licensee under the *Water Industry Competition Act 2006* provides wastewater services to the area of the Priority Sewerage Program that adjoins the relevant significant development.
- 4.2.4 Should delays caused by the consent authorities impair Sydney Water's ability to meet the timeframes set out in clause 4.4, Sydney Water must provide the Minister with notice, in writing, advising of the reasons for the delay.
